

Welcome to the survey form for *Asia IP Profiles 2020*

Later this year, *Asia IP* will publish the 2020 edition of *Asia IP Profiles*. This guide is the definitive resource for companies trying to identify the best IP practices in the region, and is based on editorial research, and surveys submitted by leading law firms.

You are invited to take part by completing the following survey. The survey is broken down into three principal sections covering patents, trademarks and copyright, and you can complete as much or as little as you wish. Your responses will help ensure we cover your firm, and your activities, in *Asia IP Profiles 2020*. Completing the survey is free, and does not oblige you to advertise in *IP Profiles 2020*.

The survey will also be used to help compile *Asia IP's* annual *Patent Survey*, published in September, and *Trademark Survey*, published in May, so please do take the time to fill in as much as possible.

Please complete a separate form for each different jurisdiction you operate in, and complete as much of the information as you can. You do not have to submit information for each section if you do not wish to. You can also choose to submit an already completed survey if you wish.

Submissions must be made by March 31, 2020.

Many thanks in advance for completing the survey form, and I look forward to including information about your firm in *Asia IP Profiles 2020*.

Best regards,

Darren Barton
